At its core, Gunnm has always grappled with what it means to be human. Tome 2 NE continues this exploration, particularly through Alita?s internal conflicts. Her cyborg nature raises questions about consciousness, free will, and the soul.

The volume introduces philosophical dialogues and internal monologues that challenge the reader to consider:

- Can a being created from metal and circuits possess a soul?
- How do memories shape our identity?
- What defines humanity in a world where biological and mechanical life merge?

These themes are woven seamlessly into the narrative, prompting reflection amid the action.
