Understanding the Major Field Test (MFT) for MBA Programs

What is the Major Field Test?

The Major Field Test (MFT) is a standardized assessment designed to evaluate a graduate student's knowledge and skills within their specific discipline. - Business Strategy
- Economics
- Quantitative Methods

The test is usually administered near the end of the program, serving as both a diagnostic and evaluative tool.

Purpose and Importance

The primary objectives of the MFT in MBA settings include:

- Measuring Student Competency: Ensuring graduates possess essential knowledge for professional practice.
- Program Assessment: Providing data to evaluate curriculum effectiveness and identify areas needing improvement.

Common Questions and Sample Test Answers in Chapter 11

Q1: What is the purpose of the automatic stay in Chapter 11?

Sample Answer:

The automatic stay is an injunction that immediately halts all collection activities, legal actions, and enforcement proceedings against the debtor once a Chapter 11 petition is filed. Its purpose is to provide the debtor with breathing space to reorganize without the pressure of creditors' claims and lawsuits, ensuring an equitable and orderly process.

Q2: Who is responsible for managing a debtor's estate during Chapter 11 proceedings?

Sample Answer:

In most cases, the debtor remains in possession of its assets and manages the estate as a debtor-in-possession, unless a trustee is appointed for cause. The debtor-in-possession has fiduciary duties similar to a trustee, including acting in the best interests of creditors and maintaining the financial integrity of the estate.

Q3: What are the criteria for confirming a Chapter 11 reorganization plan?

Sample Answer:

The plan must meet several criteria, including:

- Complying with legal requirements set out in the Bankruptcy Code
- Being accepted by at least one impaired class of creditors
- Meeting the "best interests of creditors" test, meaning creditors receive at least as much as they would in a liquidation
- Demonstrating feasibility and being proposed in good faith
